Emily: We were playing multiplication Bingo, and the Cooper kids came in. It was really fun that we saw them. I just couldn't wait to see them. They were second graders, and some of them were from Arbor Heights. I saw someone I knew. I did peace out to them, and I saw a girl that did peace out to me. It was very funny.

Maya: Cooper kids visited our school today (June 10). I was very excited, but I'm kind of sad because we were supposed to have Field Day today.
