Open House &
Spaghetti Dinner

October 14:
No School
(teacher meetings)

October 18
Picture Day!

October 26:
1:00 Early Dismissal

October 28:
Book Character Day!

In this Issue:

- Classroom news
- Word search and pictures to color
- Great jokes and riddles!

Brandon and Tayler Room 18, Grade 2

Our class is learning about the rain-forest, like what animals and plants are in it. We are reading about the rain-forest. Tayler likes Fun Friday. Brandon had a soccer game last Saturday. We're wondering what the Lego Club is.

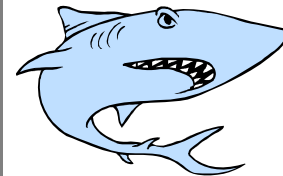

*Knock, knock
Who's there?
Oliver
Oliver who?
Oliver sudden I'm being at-
tacked!*

John and Cole Room 9, Grade 3

In Mrs. Salter's class we are learning about money, and for science, we are learning about how rocks are made.

On the 28th of September we had an early dismissal.

What do you get if you cross a shark with a snow-ball?

Frostbite!

Stories, poems, articles, and *great* jokes from student news reporters at Arbor Heights Elementary School in Seattle, WA

Third graders try out for *Dance Chance* with the Pacific Northwest Ballet!

More classroom news.....

**Loren and Emma
Grade 1, Room 16**

Our teacher helps us. We're doing math in class. Last summer Emma went to a baseball game and Loren went to Long Beach. We're having lots of fun!!

**Elijah, Cameron, and Ethan
Room 12, Grade 3**

Last summer Ethan went to Orcas Island, and Elijah went to Evergreen Water Park. Elijah went to a Mariners game and Ethan went to a Sounders game. Our classroom is awesome. We do computers, blogs, and writing. Testing was OK.

**Lola, Jamie, and Natalie
Room 21, Grade 4**

Testing is sometimes very hard. But don't get discouraged if you don't get everything right. All is test is, is to see what you know. They say sometimes whoever takes the longest gets the most questions right.

Hi, my name is Jamie, and I'm in 4th grade, and I love my new teacher, Ms. Boitano. It's my first year upstairs, and I'm loving it. We have done a few tests so far, but we went on a field trip on Friday, 9/16/11. We went to the Zoo. So far Ms. Boitano has taught us a lot of things, like math things, writing, art, and lots of other things. Have you met our new principal? If you have, you know how nice she is. We also wrote stories about 9-11 where we're a character, and we tell the story. We either survive or die. I can't wait to play an instrument. I want to play the flute. I also can't wait to get my 1st grade buddy. There's a new kid in my class, and her name is Natalie. She is very nice. I'd like to write more, but I have no more time.

Hi, my name is Natalie, and I'm from Buffalo, NY. I just moved here, and I'm in Ms. Boitano's class, and it's very fun being in a new school. Did you see all the sports we have? We have all kinds of sports, like baseball, football, soccer, and a lot of others, like tennis, hockey, badminton, kickball, and that's all I know. To stay healthy in sports you have to do lots of exercise and drink lots of water. I love sports, so if you want to do one, decide one of your own, or pick out one of the ones I said, and remember—eat healthy, drink healthy, and exercise.

What's black and white and red all over?

**Abdikadir and Aili
Room 10, Grade 3**

Last summer Aili went to Oregon with her friend Rose. She camped and drove to different campsites. She camped in yurts and swam in the Pacific Ocean, and got bit by little bugs. She went to Crater Lake, and she walked around the lake. And then she went to a sea cave, and it was very loud, and then she went home.

Abdi: Last summer I went to Arizona. At last when I got there I saw my two uncles. My family and my two uncles went in the woods, and we were looking for a good camping site. At last we found one. Its name was called Cave Creek. We had to go back for lunch. When we got there I ate a hamburger and some frice and a drink. After lunch we went back, and we went swimming.

Why did the turkey
cross the road? To get to the other
side.

Even more classroom

**Natalie and Daisy
Room 24, Grade 5**

Last summer Daisy went to Vancouver and saw a really cool fireworks show. Natalie went to her friend's cabin in Cle Elum.

In class we are doing land and water features for science. We made posters with 40 different land and water features. Our class is learning why leaves change in autumn.

We are writing about personal experiences. We are also writing about what we would do if we woke up as a snake.

What would you
call a city with
lots of power? Electricity!

**Mayuna, Ayden, Fathi, Steph, Stone, and J-Web
Room 22, Grade 5**

In the summer J-Web played in two baseball tournaments. One was in Seattle, and one was in Issaquah. He also went to the pool a lot. Steph went to Harry Potter Camp with Ayden. It was seven days and six nights long. It was a lot of fun. Steph also went to the pool a lot. Ayden went to Sun Lake and Soap Lake. He went paddle boating. He also went to Harry Potter Camp with Steph. We all think we had a fun summer!

Ayden, Steph, and J-web all like room 22. Mr. G. is really funny and nice. What Ayden, Steph, and J-Web all like about fifth grade is they get to go to Fifth Grade Camp!
