At our Valentines Party, we will give gifts to the classroom. We went on a field trip to Don Quixote. So we went on a field trip and had a Valentine's Party, and that's it!

We are learning about penguins and multiplication, like  $2 \times 3 = 6$ , and we are learning about mobiles in math, and 3D shapes like spheres, and how to write the date. And we are learning about the rainforest.

What did the pig write to his sweetheart?

Hogs and kisses!

**Camryn, Mariah, and Jayna**  
**Room 21, Grade 4**

Jayna: We are learning about new math strategies and adding decimals. We are also doing novel book reports. The book I'm reading is A Puppy Called Kitty. For science we are learning about the food triangle.

Hi, this is Camryn. I'm doing something special for February, are you? We are doing the Global Reading Challenge. If you want to wish someone a happy birthday, wish Mrs. Boitano one. It's February 23rd.

From Mariah:

**Knock, knock.**

*Who's there?*

**Jimmy.**

*Jimmy who?*
