We are using puppets in our class at free time. And we make up stories. We have groups. There are animal puppets and people puppets. First, you get a story web, then you write the setting, the title, and author, the main characters, the solution, and the problem. Then you practice, and put on the show.

On the field trip we went to Mercer Slough. It was hot. We went on a hike. We jumped on the wetland, and we saw skunk cabbage. We studied about the soils. Soils can be dark brown, tan, red, yellow, or white. In the lab we found some bugs in the box of soil. It was fun.

We went to Mercer Slough and "Winnie the Pooh". We are going to "Sideways School is Falling Down". We had another day off on Friday (in-service).

Where do cows go to dance?
