

Name: _____

Date: _____

Room 12 WWW Assignment #17

Go to Project Athena:

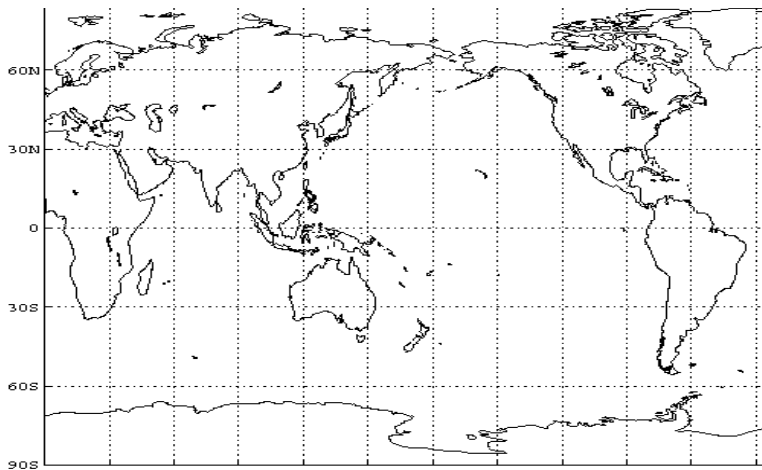

<http://athena.wednet.edu>

- Go to 
- Go to "Today's Earthquake Activity Around the World"
- Go to "table of global earthquakes"
- Look at the chart. Are there any earthquakes listed where the magnitude "MAG" is greater than 5.0? _____
- If so, where were they, and what was the magnitude?

Where:

MAG

Can you show where the earthquakes were on this map?
